

Questions & Answers  
RFQ #182P0540695

Q1: What is the place of performance?

A1: We anticipate that the majority of the work will be performed at the contractor's location but will make an office (with standard office equipment) available on-site at the USPTO as necessary.

Q2: What is the period of performance?

A2: We anticipate this work being completed during FY06.

Q3: Is this a new contract or a company/contractor working on this contract currently?

A3: This will be a new contract.

Q4: If a company/contractor is working on it:

- a) Who is the company/contractor?
- b) What is the previous price paid for this contract?
- c) What is the contract number and award amount?

A4: Not applicable. See answer to Q3 above.

Q5: Does all the work needs to be at U.S. Patent & Trademark Office in Alexandria, VA? or  
Can the work be done in Combination of Onsite (U.S. Patent & Trademark Office) and offsite  
(Contractors office location)?

A5: See answer to Q1 above.
